Dear Mr. Wood,

Thank you so much for the pictures that we received in today's mail. We are keeping the one showing the complete press and returning the other you sent, along with the book, "A Private Mint in North Carolina," that I borrowed from your library.

The material is shaping up very nicely and I do thank you so much for the valuable help you gave me the other day.

Now for another favor: Would it be possible to send us some more pictures of the Bechtler coins? You may recall that I have one of the $5.00 gold piece, and we would like to have pictures of the other coins:- $2.50, $10.00 etc. The material is going into our April issue, which will be given over more or less to "Americana" and we would like to know as soon as convenient whether we may expect further coin pictures.

Again thanking you for the time and help you gave me, I am

Sincerely yours,

Marion Dudacker

Dear Miss Durlacher:

The book and the returned photograph came yesterday. Many thanks for these. There was a delay in getting the photographer up here, and we now hope to get prints of some of the gold coins here by Saturday, so that you should have them by Monday.

Very truly yours,
